Josiah – Do

Hide something around the house, maybe a particular book.

Get others to try to find it. When they get nearer say 'warmer', if they get further away say 'cooler'. When they get really close say 'hot'. When really far away say 'freezing'!

Who can find it in the quickest time?

Take it in turns to hide the item. Make sure you agree where is out-of-bounds.

How does this fit with the story?
